**AMENDED MINUTE ENTRY FOR FEBRUARY 20, 2025
TELEPHONIC INITIAL PRETRIAL CONFERENCE
HON. MARK J. DINSMORE, MAGISTRATE JUDGE**

The parties appeared by counsel for a telephonic Initial Pretrial Conference. The Court will approve the Case Management Plan, by separate order, with the changes to which the parties have agreed.

This matter is scheduled for a telephonic status conference on **Monday, March 31, 2025 at 12:30 p.m. (Eastern)** to discuss case status. Counsel shall attend the status conference by calling the designated telephone number, to be provided by the Court via email generated by the Court's ECF system.

In addition, this matter is scheduled for a settlement conference on **Thursday, June 12, 2025 at 9:00 a.m. (Eastern)**, in Room 277, United States Courthouse, 46 East Ohio Street, Indianapolis, Indiana, before Magistrate Judge Mark J. Dinsmore.

Unless excused by order of the Court, clients or client representatives with complete authority to negotiate and communicate a settlement shall attend the settlement conference

along with their counsel. This requires the presence of each party, or the authorized representative of each corporate, governmental, or other organizational entity. Any legal entity and/or any insurance company that is a party, or is contractually required to defend or indemnify any party, in whole or in part, must have a fully authorized settlement representative present at the conference. That representative must have final settlement authority to commit the company to pay, in the representative's own discretion, the amount of Plaintiff(s)' most recent demand, or in the case of the representative of an insurance company that is not a party, the total amount within any policy limits, if such amount is lower than Plaintiff(s)' most recent demand; such representative may not be counsel of record for a party in the matter.¹ The purpose of this requirement is to have in attendance a representative who has the authority to exercise discretion to settle the case during the settlement conference without consulting someone else who is not present.

In addition, unless excused by written order of the Court, every individual party, and an officer (President, Vice President, Treasurer, Secretary, CFO, CEO or COO) of every corporate entity that is a party, shall attend the settlement conference.

No other persons are permitted to attend the settlement conference without leave of Court.

On or before five (5) business days before the settlement conference, the parties shall submit (not file) a confidential settlement statement setting forth a brief statement of:

¹ A representative of a corporate party or an insurance company who has any predetermined limits upon the extent of their authority to resolve this matter fails to satisfy this requirement. The purpose of this requirement is to ensure that each legal entity and insurance company participating in the proceeding has present a representative who can listen to the arguments and other discussion which take place during the settlement conference and make a full and independent determination regarding the appropriate settlement value of the case without reference to any person or group of persons not present at the settlement conference and who can articulate the reasons for such determination to the Court based upon their sole and independent judgment.

(1) relevant facts, including any key facts that the party believes are admitted or in dispute; (2) damages, including any applicable back pay, mitigation, compensatory and/or punitive damages, or any other special damages; (3) the existence of any applicable liens; and (4) any pending or anticipated dispositive or other substantive motions and citation to controlling precedent in support of their respective legal positions. The confidential settlement statement should not exceed five pages, and submission of exhibits should be kept to a minimum. **Confidential settlement statements should be submitted via email to MJDinsmore@insd.uscourts.gov.** There is no need to follow any email submission with a hard copy.

No later than twenty-eight (28) days before the settlement conference, Plaintiff(s) shall serve an updated settlement demand on Defendant(s), which demand shall include a breakdown of any special damages sought by Plaintiff(s), as well as a detailed explanation of the basis for any other amounts claimed in the demand (the "Demand"). The Demand should represent the actual initial good faith negotiating position of the Plaintiff(s) at the time it is made. **No later than fourteen (14) days before the settlement conference, Defendant(s) shall serve a good faith response to the Demand.** Such response should represent the actual initial good faith negotiating position of the Defendant(s) at the time it is made. **The parties shall submit (not file) courtesy copies of their respective demand and response to the Court at the time of service. These should be emailed to the Magistrate Judge at MJDinsmore@insd.uscourts.gov.**

If, after the making of the demand and/or offer set forth above, an event occurs or information is discovered that materially alters the settlement position of any party, then a revised demand and/or offer shall be immediately proffered and any other confidential submissions to the Court that may be required in light of such altered settlement position(s) shall be immediately made.

If there exist any liens or potential liens upon Plaintiff(s)' potential recovery, Plaintiff(s)' counsel shall fully inform themselves of the nature and amount of all such liens and shall undertake to negotiate a resolution of such liens in advance of the settlement conference and shall make arrangements to be in telephonic communication with representatives of any such lienholders during the course of the settlement conference for the purpose of negotiating a final resolution of any such liens.

The parties are instructed to jointly prepare and submit (not file) a draft settlement agreement, noting any disagreement by the parties. The agreement in question should represent, to the extent possible in the circumstances, the **final written agreement** intended by the parties to resolve the case and should contain **all material provisions** that any party believes should be contained within such document, such that the settlement agreement proposed can be executed in full and final settlement of the matter at the successful conclusion of the settlement conference. **The draft settlement agreement shall be emailed to the Magistrate Judge in Word format at MJDinsmore@insd.uscourts.gov no later than five (5) business days before the settlement conference.**

Counsel for the parties **shall immediately notify their clients and any other necessary participants of the date of the settlement conference**, and any request to vacate or continue the settlement conference must be made by motion filed with the Court on or before **March 6, 2025**, except in exigent circumstances. These motions will be granted only for good cause.

Failure to comply with any of the provisions in this Order may result in sanctions.
